THE UNIVERSITY OF BELIZE

In the past, it was necessary for students to leave Belize to pursue Bachelor's degrees. Many students travelled to the UK, Mexico, the West Indies, the USA and Guatemala. However, since 2000, the University of Belize (UB) became an option for students to achieve higher education. At UB, students may study in faculties of:

- Management and Social Sciences
- Education and Arts
- Science and Technology
- Nursing and Allied Health and Social Work

There are also a number of centers and institutes that are operated by the University:

- Adult and Continuing Education Center
- Early Childhood Foundation Center
- Environmental Research Institute
- Multi-Cultural Studies Center
- Regional Language Center (RLC)
- History and Anthropology Center
