Box 15: Sponges.....	92
Box 16: Internet Based Companies.....	113
Box 17: The U.D.P. and the transition from agriculture to tourism.....	135

International persons with whom I have communicated included Dr. Michael Cappile and Dr. Carol Foranigh who have provided valuable insight for the project.

My editors were Mrs. Elizabeth Padden and Ivory Kelly from UB and Mr. Lawrence Vernon of the Belize National Library Service.

Finally, I would like to say thank to God for helping me through this challenging but fun-filled project.

*Frank Pineda*
